

CKUT is a volunteer-based organization.

We are currently over 300 strong...here are some ways that **YOU CAN GET INVOLVED**
IMPLIQUEZ-VOUS !

The best way to begin as a volunteer at CKUT is to attend one of our general orientations which will introduce you to the station's various activities so that you can decide how you would like to become involved. Orientation dates and times are posted in the lobby of CKUT as well as on our "upcoming" page on our website (www.ckut.ca). Contact a programming coordinator for further information.

Venez assister à une des rencontres d'orientation générale qui vous donnera une idée des projets où vous pouvez mettre vos énergies. Les orientations sont affichées à la station, à la réception et sur la page "upcoming" sur notre site internet (www.ckut.ca). Contactez un coordonnateur/trice de la programmation pour d'autres infos.

SUPPORT FREEFORM RADIO !!!

Beyond volunteering, CKUT always needs your financial support..

Every spring, we hold our annual on-air funding drive during which we encourage listeners, like yourself, to put their money where their ears are by calling in and pledging on their favorite shows **(398-8991)**.

Fundraising, however, is a year-round activity here at the station and donations of any amount at any time are greatly appreciated - send your donation of cash, cheque or credit card to the attention of the fundraising dept. at the address on the back of this flyer and please include your name, phone and address.

CKUT accepte des dons en tous temps, en plus de notre campagne annuelle de financement (dans le printemps). Envoyez votre argent et nom/adresse à l'attention du dépt. de financement. Merci pour votre support!

ckut's mandate - le mandat

CKUT is committed to making media accessible to all members of the community in order to reflect the community's diverse nature. The objective of CKUT, as a campus community station, is not to mimic or compete with commercial or other existing radio stations but rather to provide an alternative: a focus on new, marginalized, or otherwise unfamiliar issues, culture and music, as well as a different perspective on familiar issues and the cultural mainstream.

CKUT s'engage à rendre les médias accessibles à la collectivité montréalaise et autre, afin de refléter le pluralisme de cette communauté. En tant que station de campus/communautaire, l'objectif de CKUT n'est pas d'imiter ou de concurrencer les stations commerciales ou d'autres stations de radio. Au contraire, notre but est de donner une alternative en nous concentrant sur des problématiques, cultures et musiques nouvelles, marginales, ou sinon inconnues, et de proposer un point de vue différent des problématiques mieux connues du grand public.

in our words...

CKUT's **music programming** emphasizes the uncommon, the new, and the daring. We have a variety of specialized music programs as well as open format programs that span many musical genres. DJs make their own musical selections, without the aid of a playlist, choosing from recordings sent to CKUT by artists and record companies around the world as well as from their own private collections.

CKUT's **spoken word programming** (in black boxes on schedule) features alternative news, public affairs and arts and culture shows. We cover gay and lesbian culture, environmental issues, social justice issues, feminism, film and theatre reviews, African, Haitian, Latin American, Korean, Filipino, Muslim current affairs ... and more!!
